# ABOUT US

**PT. KITASINDO UTAMA started since 1998 in Jakarta** providing safety appliances especially for marine and fire safety with field specialization in Live saving Appliance service and maintenance.

Our specialty services such as various type of Liferaft, lifeboat and Fire extinguisher equipment, fire & safety, fire protection, lifesaving equipment, CO2 System, Immersion suit, and other life saving appliances. With more than 30 years of experience, we always try to provide the best service in maintaining our customers. We have a team of well-qualified, trained and experienced technicians for taking care of service and maintenance and they are very well conversant with relevant standards.

We aim to deliver quality services by incorporating proven solutions to achieve total customer satisfaction and we have workshops that comply with standards and also supervised by the competent authorities

## VISION & MISSION

Providing quality services in order to become the pioneer of the best company in the service and maintenance of marine safety equipment
